- 5. The Court hereby preliminarily approves the Settlement Agreement and the terms embodied therein. The Court finds that the proposed Settlement Class, composed of all persons and entities who commercially farmed Kona coffee in the Kona District and then sold their coffee from February 27, 2015 to the date of this order, likely meets the requirements for class certification under Fed. R. Civ. P. 23(a) and 23(b)(3) as follows:
  - a. The Settlement Class is so numerous that joinder of all members in a single proceeding would be impracticable;
  - b. The members of the Settlement Class share common questions of law and fact;
  - c. The Plaintiffs' claims are typical of those of the Settlement Class Members;
  - d. The Plaintiffs and Class Counsel have fairly and adequately represented the interests of the Settlement Class and will continue to do so; and
  - e. Questions of law and fact common to the Class predominate over the questions affecting only individual Class Members, and certification of the Class is superior to other available methods to the fair and efficient adjudication of this controversy.
- The Court finds, pursuant to Fed. R. Civ. P. 23(e)(1)(B)(i), that the proposed Settlement Agreement is likely fair, reasonable, and adequate, entered into in good faith, and free from collusion. The Court finds Class Counsel have ably represented the Class as they conducted a thorough investigation of the facts and law prior to filing suit, extensive discovery, and they are knowledgeable of the strengths and weaknesses of the case. The involvement of Mark LeHocky, a highly qualified mediator, in the settlement process supports this Court's finding that the Settlement Agreement was reached at arm's length and is free from collusion. The relief, monetary and injunctive, provided for in the Settlement Agreement outweighs the substantial costs, the delay, and risks presented by further prosecution of issues during pretrial, trial, and possible appeal. Additionally, the proposed allocation plan treats the class members equitably in proportion to their sales to provide Class Members with adequate

- relief. Based on these factors, the Court concludes that the Settlement Agreement meets the criteria for preliminary settlement approval and is deemed fair, reasonable, and adequate, such that notice to the Settlement Class is appropriate.
- 7. The Court appoints Plaintiffs as class representatives for the Settlement Class.
- 8. The Court appoints Nathan Paine, of Karr Tuttle Campbell, and Jason Lichtman, Daniel Seltz, and Andrew Kaufman, of Lieff Cabraser Heimann & Bernstein, LLP, as Class Counsel upon consideration of the factors set forth in Fed. Riv. Civ. P. 23(g).
  - Pursuant to Fed. R. Civ. P. 23(e)(1) and 23(c)(2)(B), the Court approves the proposed Notice ("Notice"), attached as Exhibit 2 to Plaintiffs' Motion. The Notice is a reasonable method calculated to reach members of the Settlement Class who would be bound by the Settlement Agreement. The Notice will be sent via first class U.S. Mail and email to all members for whom address information is available, and posted on the Class Settlement Website. The Court also approves the Publication Notice, attached as Exhibit 3, which will be published in the West Hawaii Daily. The Court approves, as to form and content, the proposed Notice and Publication Notice because they concisely state in plain, easily understood language, inter alia: (1) the nature of the case and the Settlement Agreement, including the terms thereof; (2) the definition of the Settlement Class; (3) the Class Representatives' applications for service awards; (4) that a class member may enter an appearance through an attorney and the procedures for filing an objection to the Settlement Agreement; (5) contact information for Class Counsel, and a toll-free number to ask questions about the Settlement Agreement; (6) the address of the case-specific website (the "Class Settlement Website") maintained by the Settlement Administrator that links to important case documents, including motion for preliminary approval papers, and instructions on how to access the case docket via PACER or in person; (7) important dates in the settlement approval process, including the date of the Final Approval Hearing (as described below); (8) the binding effect of a class judgment on Settlement Class Members; and (9) Class Counsel's forthcoming Attorneys' Fees Motion.

16. No later than 45 days after entry of this Order, Class Counsel shall file its application for attorneys' fees and Class Representatives' request for service awards.
